

Year 6 Homework Term 3 Week 3

Spellings: Use your sheet to practise ably/ibly words but make sure you know what the words mean and can think of related words.

Tables: Which times tables are you going to learn this week? _____ How are you going to practise them? _____

Reading: Please review **The Lion and The Unicorn**. What did you think of the story? Were the characters realistic? What themes or lessons do you think the author was trying to convey? Did you like the illustrations?

This is instead of a daily record. Write your paragraph across the lines for this whole week.

Hand in your reading record on FRIDAY please.

Maths: Measurement Assessment Answer the questions carefully to show me that you can solve problems, read scales and convert between measurements. Leave a note in the Yeti box if you struggle with any.

Literacy/Topic: Family Wartime Experiences

This week we are looking at evacuees in WWII. It would be very interesting to find out if anyone in your family was evacuated, or had experiences of evacuees from that time. You need to ask questions and do some detective work. Ask older members of your family if they remember any war time stories or experiences and write down any information they tell you, so that we can share it in class.

If there is no-one to ask, or no experiences to share, then I would like you to do your own research to find out if Yarnton/Woodstock/Oxford was involved in the Second World War and write down any information you uncover.

HOMEWORK IN ON TUESDAY AT THE LATEST PLEASE.

REMINDERS: Indoor PE kit on Wednesday; Swimming kit on Friday; SATS meeting for parents on Friday 26th
