

14th May 2020

Dear Parents and Carers

I hope you were all able to enjoy VE day and celebrate with your family. Thank you for all of the photos you sent into school of your home-made bunting and celebrations. Seeing all of the strings of bunting certainly brought colour to the day! I know lots of you also did some home baking with your children and of course afterwards enjoyed the products of your baking sessions! I have included in this letter a flavour of the photos sent into school of home VE celebrations.

Following the government's announcement on Sunday about the possible return to school of certain year groups I have been working with the staff team in planning how we can meet this request. As you can imagine there are lots of things to think about and my priority continues to be the safety of staff, children and parents.

I will be writing to you next week outlining how children in Foundation Stage, year 1 and year 6 will be able to return to school from 1st June, if the government thinks it is safe for them to do so.

In the meantime, thank you for your continued support in enabling your children with their home learning. I know that this is not always easy to fit in with your own work and priorities but I do appreciate all that you are doing for your children both supporting their emotional needs as well as helping them with their learning.

All best wishes

Deborah Nind
Headteacher
