

Dear Parents and Carers,

I hope everyone has had a good week. I continue to be really impressed by the number of our children accessing home learning. It is very encouraging to see so many of our children actively taking part in a whole range of activities. Please do remember to call on us if we can support with materials, offer further advice or to talk to children.

It was lovely to see our year 3 and 4 children meeting with Mrs Buchanan this week in a zoom lesson. Watch out for these sessions as the children enjoy seeing each other onscreen as well as benefitting from time with a teacher in school.

Our children in Foundation Stage are all back now and are working in two separate bubbles. They are our youngest children in school but they have coped amazingly well with the change in either teacher or classroom. Well done everyone in Wrens class and a big thank you to staff and parents who have worked together to prepare the children for this change.

The children in Wren class have also been doing some super work from making the solar system out of biscuits, to making music to making bubble pictures. Here is a flavour of their work:

We received in school a newsletter from the NHS for parents which can be viewed [here](#)

Please have a read of this , it offers lots of good ideas to use with your children to support their mental wellbeing.

Best wishes
Deborah Nind
Headteacher

Ensuring social distance

Can I ask that all parents when dropping off or collecting their children to follow the social distance rules and leave the school site as soon as possible. We need to be able ensure the safety of everyone; children, parents and staff.

Certificates of the week

The certificates will be awarded to both children at school and children who are learning at home. It has been lovely to see how proud the children are to receive their awards.

Iris in Red Kites – Writer of the week
Corey in Swallows – Reader of the week
Zachary in Kestrels – Mathematician of the week
Dexter in Nightingales – Star of the week
