

Areas of Learning:

As historians we will be learning how changes within Victorian society improved people's lives.

As Scientists we will be researching electricity and how circuits work, linking with how this improved lives of the Victorians.

As geographers we will learn about the expansion of the British Empire and expanding trade links through development of railways and other infrastructures in Britain.

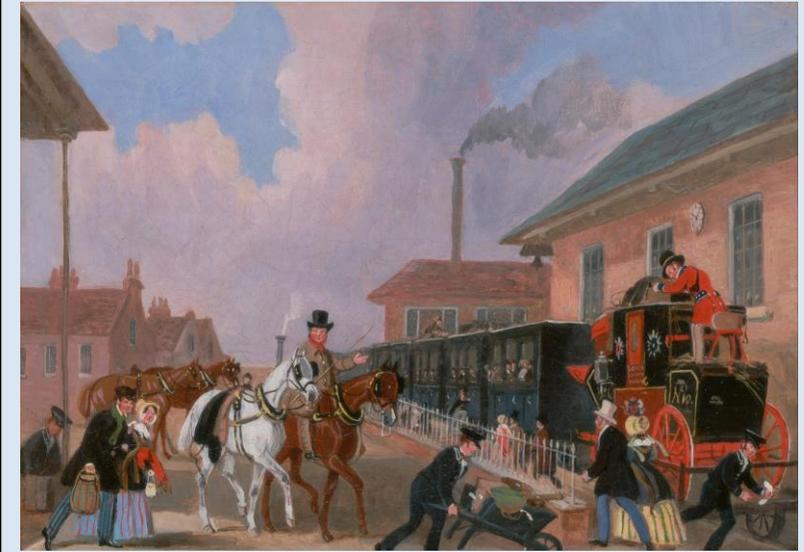

As artists we will explore Victorian art and artists of the period.

We will visit The Natural History Museum (Year 5) and The Museum of Steam in Swindon (Year 5 and 6)
