

## Areas of Learning:

In Literacy we will be looking at the stories *The Disgusting Sandwich* and *The Twits*.

We will be having our own disgusting picnic.

In History we will be learning about nurses and Florence Nightingale, Mary Seacole and Edith Cavell

As artists we will be learning about the work of Jackson Pollock and in DT we will be making a healthy snack.

We will also take part in a whole school project about growing plants.

## Disgusting

Spring term 2023

Building Learning Power	Philosophy for Children	Rights Respecting School	Our Well being (Physical, emotional, moral and spiritual)
<p>As life-long learners we will:</p> <ul style="list-style-type: none"> <li>Stay engaged in learning by recognising distractions.</li> <li>Be curious, listen, and think carefully.</li> <li>Take responsibility for our learning by planning and organising.</li> <li>Work as part of a team without taking control and sharing ideas by communicating effectively.</li> </ul>	<p>As Philosophers we will:</p> <ul style="list-style-type: none"> <li>Understand what it means to be healthy - looking at our physical and mental well-being.</li> </ul>	<p>Through exploring the United Nations Charter we will:</p> <ul style="list-style-type: none"> <li>Focus on our own class charters to support each other and our learning.</li> <li>Support the whole school in achieving The Rights Respecting School Award.</li> <li>We will be looking at Article 24 and the right to being healthy and Article 27 and the right to food.</li> </ul>	<p>We will:</p> <ul style="list-style-type: none"> <li>Using the Jigsaw themes, understand what it means to be healthy.</li> <li>Know who can help us in the school community.</li> <li>Understanding that every time we learn something new we change a little bit.</li> </ul>

## Literacy

In *The Disgusting Sandwich* we will learn and sequence the story.

We will write character descriptions and change the story to make it our own.

In *The Twits* we will learn about the life of Roald Dahl and write a newspaper report.

We will learn to recite and write our own poetry.

## Design and Technology

Prepare a healthy snack.

Learn the differences between fruit and vegetables.

Understand where fruit comes from.

## Religious Education

Learn about different Hindu Gods.

Learn the story of Krishna.

Understand why Hindu festivals are important.

## Geography

We will be learning about our local area and its geographical features.

We will be using our map skills to learn about orienteering.

## Mathematics

Learn different methods to add and subtract.

Solve missing number problems.

Learn grouping and how this helps with our multiplication and division.

Understand the properties of 2D and 3D shapes.

Learn different positions and directions.

## Disgusting

## Computing

Understand what algorithms are.

Create and debug simple programs.

Recognise common uses of technology beyond school.

## PE

To understand different balances.

Explore different ways to use and move with a ball.

Control a ball through passing and rolling.

To learn different ways of throwing and catching.

Take part in races and relays.

## Science

Name and identify different parts of the body.

Understand the importance of a balanced diet and the different food groups.
