

Areas of Learning:

As historians we will learn about democracy in Britain including origins and abolition of slavery; worker's rights including protests, riots and reform acts; women's rights.

As geographers we will be exploring maps to locate countries and describe geographical features; we will be undertaking field work in Term 6.

As Scientists we will be exploring the circulatory system and finding out how to keep our bodies healthy. We will also be studying plants.

As artists we will be looking at activism and how artists Luba Lukova and Faith Ringgold use their skills to speak on behalf of their communities.

How our Rights were won

Year 5 and 6

Summer Term 2023

Building Learning Power	Philosophy for Children	Rights Respecting School	Our Well being (Physical, emotional, moral and spiritual)
<p>As life-long learners we will:</p> <ul style="list-style-type: none"> • Explore what helps us learn • Understand what kind of learners we are • Become more independent learners through managing distractions; distilling; capitalising and collaboration. 	<p>As Philosophers we will debate:</p> <ul style="list-style-type: none"> • World Earth Day and how to help save the planet • What does it mean to be free? • Are there different types of freedom? • How important is it to be free? • What are the basics of freedom? 	<p>Through exploring the United Nations Charter we will be learning about:</p> <p>Article 2: Non discrimination Article 14: religion Article 28: education Article 12: right to be heard / opinion Article 32 & 35: fair treatment / exploitation</p>	<p>We will:</p> <ul style="list-style-type: none"> • In our PSHE/Jigsaw lessons we will be studying the topic 'Healthy Me' • Learning about puberty • Discussions on coping with anxiety and stress • Preparation for Transition

Literacy

Stories from other cultures
Explanation writing
Learning to write with different levels of formality
Persuasive writing
Comprehensions/ Book Vipers

Mathematics

Properties of Shape
Position and Direction
Y6 – SATS revision and investigation
Y5 – Problem solving, reasoning, revision

Science

Keeping fit and healthy – describe function of heart, blood vessels; describe ways nutrients and water transport through the body.
Plants – plant reproductive system; plant adaptation; seed dispersal; identifying and classifying plants.
Puberty – how our bodies change

Art & Design / Design Technology

Art: Create visual images and text which communicate ideas. Combine different techniques such as print, collage and drawing.

Computing

Cyber safety
Podcasts

History

Black rights – the origins and abolition of slavery
Worker's rights: Factory protests, Rebecca Riots and the Reform acts
Women's rights: Suffragettes

Religious Education

Islam – Teachings and Authority
Inspirational People
Religion, Family and the Community
Beliefs in actions

PE

REAL PE – Health and Fitness; Physical
Sport: Athletics; Cricket/Rounders; Tennis;
Sports Day activities
Swimming

Music

Drumming lessons

Geography

Use maps, atlases and globes to locate countries and describe geographical features
Field studies

French

French speaking world
Planning a French holiday

PSHE

Jigsaw – exploring how to make healthy choices and understanding puberty
Charity work raising money for UNICEF
